

ES-335 Satin, Satin Vintage Burst

The Gibson ES-335 DOT is the cornerstone of the Gibson ES line-up. From its inaugural appearance in 1958, the Gibson ES-335 immediately set an unmatched standard. The pearloid dot inlay rosewood fingerboard on a hand-rolled Rounded "C" mahogany neck remind players where it all started. The all-new Gibson Calibrated T-Type humbucking pickups paired with our hand-wired control assembly showcases the versatile Gibson ES tone that players have craved for over 60 years. Tuning stability and precise intonation are provided by the Vintage Deluxe tuners with Keystone buttons paired with light-weight Aluminum ABR-1 bridge and Stop bar tailpiece. Impressive yet subtle Satin Nitro finishes include Cherry, Vintage Burst and Vintage Natural.
