

Miranda Lambert Bluebird, Bluebonnet

A decorated songwriter, Academy of Country Music Entertainer of the Year, passionate animal advocate, restaurateur, businesswoman, and New York Times best-selling author, Miranda Lambert is among the brightest stars in modern country music. Named as one of the most influential people in the world by TIME, Lambert has won multiple GRAMMY® Awards and has been honored with more Academy of Country Music Awards than any artist in history. A constant champion of female artists—including numerous collaborations and her work as a member of the Pistol Annies—Miranda Lambert has made it a priority to encourage more girls and women to pick up guitars themselves. Her music and mission have been honored with a new Gibson signature guitar, her first-ever model, the Miranda Lambert Bluebird. A variation of the iconic Gibson Hummingbird, the Miranda Lambert Bluebird is as distinctive as its namesake and features a square shoulder mahogany body with a Sitka spruce top, a striking Bluebonnet nitrocellulose lacquer finish celebrating the official flower of Lambert's home state of Texas, and a custom Bluebird pickguard inspired by her chart-topping song of the same name. The L.R. Baggs VTC electronics make this exceptional guitar stage and studio ready from the moment you take it out of the included hardshell case.
